

## The Classroom Buzz

We are so excited for the chance to perform for you at our Christmas Program. We have been practicing and although we might get a little stage fright and not sing very loud on the day of the program, know that we have worked hard just for you! Did you know that music is one of the most powerful ways to help children get ready to read? You do not have to be a rock star to enjoy singing with your child. Do you remember some songs from your childhood? Sing these with your child. Ask your preschooler to teach you some of the songs we sing at school. Check out children's song CD's from the library. Making up motions for your songs such as clapping, jumping or dancing make it so much more fun! Any effort will pay off big.

During this "Most Wonderful time of the year" we want you to know that the best part of Christmas is getting to spend this time with your amazing preschoolers. Thank you! We wish you a very Merry Christmas!

### The White Song

(tune: Little Brown Jug)

W-H-I-T-E

That spells white sing with me

Milk is white and so is glue

Ghosts are white and they say Boo!

W-H-I-T-E

That spells white sing with me

The clouds above

The snow below

Santa's beard, Ho Ho Ho

**The STAR is the  
shape of the month  
and the color  
is WHITE.**
